Wages to become effective October 1, 2013.

2. This agreement and all Memorandums of Understanding shall be in effect until midnight September 30, 2018, and covers all longshore work as designated herein at the ports of Morehead City, Wilmington, Sunny Point, Georgetown, Charleston, Port Royal, Savannah, Brunswick, St. Marys, Fernandina Beach, Jacksonville, Tampa and Port Manatee.

2.(A) The Union agrees that there shall be no strikes, slow downs or work stoppages of any kind whatsoever with respect to handling perishable fruit cargoes on or off vessels, or in and out of marine terminals. This agreement includes the handling of empty pallets, containers, reefer trailers, or other devices used in transport of perishable fruit cargoes.

This Perishable Fruit Agreement shall remain in full force and effect until midnight, September 30, 2018, or until one day beyond the date that the contract between the employers and the South Atlantic and Gulf Coast District of the International Longshoremen's Association, covering container and general cargo longshore work is ratified, whichever is later, and may not be reopened for any reason prior to that time. Any increase in wages or benefits in subsequent contracts to be retro-active to effective date of said contract.

All Port Associations have the consent to negotiate with the local unions of the ILA serving each port for an agreement applicable to the port for perishable commodities.

3.(A) Wages per hour, according to job classifications, shall be in accordance with the provisions of Clause A-1, B-1 and C-1.

3.(B)(1)(A) The Employers agree to contribute into the fund for Welfare and Pension benefits for all hours for which employees receive pay the following amounts per hour effective as indicated:

The amounts above may be allocated, not only to pension and welfare, but also to any other fringe benefits, as agreed to by the local ILA and port associations in each of the ports or districts covered by this agreement, except that the MILA man hour contribution per each hour worked in each port shall be in accordance with the Master Contract effective October 1, 2012.

No other man-hour contributions shall be increased by any port or district other than the above except for (i) vacation or holiday contributions and (ii) the one dollar per hour benefit increase of October 1, 1993 (subject to paragraphs 14 and 20 of the Master Contract). No tonnage assessment (not in effect on the effective date of this Agreement) shall be imposed on Containerization or Ro-Ro operations by any parties to this Agreement during the life of this Agreement.

These funds shall continue to be administered on a local basis by a Board of Six (6) Trustees.

It is agreed that either party to the funds established under this agreement may increase the number of Trustees by mutual consent of the Trustees of the Board involved. It is further agreed that regardless of the number of Trustees on either side being unequal, the voting rights of each side shall remain equal.

For non-USMX members, the Employers also agree to pay into a fund for supplemental cash benefits the amounts set forth below as a royalty when loading or discharging containers which are twenty (20) feet or more in length and which have not been stuffed or will not be stripped by personnel employed under this agreement.

The second and fourth Container Royalty dollars shall be paid to the Management-ILA Managed Health Care Trust Fund as per the Master Contract to be used for the purpose of funding the uniform managed health care program therein described.

The third container royalty, equal to the first container royalty listed above shall be paid into the same fund as the first container royalty, and administered by the same Board of six Trustees as previously detailed. These two container royalties must be used only and exclusively for cash disbursements to the men. Terms and conditions of the disbursement to be determined by the Trustees.

13.(A)(1) Longshore work is to cover all labor used in connection with loading or discharging ships, barges or other floating craft. It will include personnel engaged in handling cargo to or from point of rest or to or from cars or trucks when handled direct to or from ships. When a Stevedore Contractor introduces new mechanical equipment he must endeavor to train personnel presently in the industry to operate such equipment. It will also cover sorting, cooping or reconditioning of cargo when performed in connection with stevedoring work; the handling of ships' stores when not carried by hand up the gangway; the handling of baggage to and from ships' deck of passenger vessels, all mail, dunnaging (excluding bulk separations), rigging (excluding rigging for heavy lifts) and the following operations when vessel is alongside dock; cleaning of cargo areas aboard ship, lashing and securing cargo and the fitting and dismantling of fittings. 13.(B)(1) The Employer shall give due regard to the following factors:

1. Protecting the safety and health of all personnel employed in the operation.
2. Regulating stevedoring operations to best accomplish the safe, efficient and orderly movement of cargo.
3. Utilizing modern methods and equipment in the interest of avoiding unnecessary manual labor. Where this is implemented with the result that there will be a change in the operations the Employer will discuss his intentions in advance with the Union to enable both parties to agree on the most efficient operation.
4. Making the best use of skilled manpower in the light of the above consideration.

It is distinctly understood and agreed that the Union has the privilege of bringing to the attention of each Employer any practices which the Union feels are not in accord with the spirit of the foregoing. The Employers hereby agree to promptly investigate and give careful consideration to all suggestions and recommendations from the Union in the light of the objectives set forth above. If such procedure still fails to satisfactorily dispose of any such questions, they shall be resolved through the arbitration procedure set forth in Clause 15.

13.(C) Each Employer shall give preference in employment to the gangs which work regularly for him and agrees to divide his work as fairly as possible among such regular gangs in accordance with local custom. When employing extra gangs the Employer is to choose the gang best qualified from those available, but is to give due consideration to suggestion from the Union. When it becomes necessary for the Employer to make a change in Gang Foremen he must consult with the Union at least one week prior to his selection. It is incumbent on the Employer to consider the Union's suggestions, and to make every effort to designate a person who is agreeable to both parties.

13.(D)(1) Where hardship is claimed by Union and/or Management because of unreasonable or burdensome conditions or where work methods or operations materially change in the future, the problem shall first be discussed between the Local and Management involved. In the event an agreement cannot be reached, either party may refer the dispute to the Joint Negotiating

Committee and if the matter cannot be resolved by that Committee, either party may then refer the question to an arbitrator in accordance with the procedure set forth in Clause 15(B).

13.(D)(2) There shall be no interference with the Employer's right to shift personnel from hatch to hatch, ship to ship, dock to ship or ship to dock so long as the number of employees shifted from any gang does not reduce the Gang structure below the minimum required as determined by the class of cargo being handled by the gang. In no event shall employees be shifted from any gang for the purpose of opening, closing and rigging a hatch to which the entire gang has not been assigned.

The Employer also reserves the right to hire and discharge. It is recognized that the Employer has the right to utilize personnel in any combination of job classification for which they are qualified, providing that they receive the pay rate of the highest job classification in which they are employed during their work shift.

13.(E) Neither party shall uphold incompetency, shirking of work, insubordination or the use of abusive language and personnel guilty of these offenses shall be dealt with as circumstances require.

4. POLICY ON DRUGS

PURPOSE:

The South Atlantic Employer's Negotiation Committee and the South Atlantic and Gulf Coast District, International Longshoremen's Association, and its affiliated locals from Wilmington, Sunny Point, Morehead City, Charleston, Georgetown, Savannah, Brunswick, Jacksonville, Tampa and Port Manatee recognize that the state of an employee's health affects his/her job performance, the kind of work he/she can perform, as well as an individual's opportunity for continued employment. The Parties also recognize that drug abuse ranks as one of the major health problems in the world. It is the intent of this policy to provide guidelines for consistent handling of drug situations throughout the South Atlantic.

POLICY:

The Parties are concerned with those situations where use of drugs interferes with an employee's health and job performance, adversely affects the job performance of others, or is

considered to be detrimental to the marine cargo handling business. There is no intent to intrude upon the private lives of employees.

Early recognition and treatment of chemical dependency problems is important for successful rehabilitation; economic return to the industry, and reduced job disruption. The Parties support sound drug abuse treatment and rehabilitation efforts, and it is agreed that constructive disciplinary measures may be utilized to provide motivation to seek assistance. Normal industry benefits, such as the group medical plan, in many cases are available to give help in the rehabilitation process.

EARLY RECOGNITION:

For the purpose of interpretation it is agreed by all parties that for any employee to be eligible for treatment and rehabilitation under the "Policy on Drugs" he must first be eligible for the benefits provided by his local Pension and Welfare Plan. Employees not covered for benefits must pay all expenses for rehabilitation.

LEGAL DRUGS:

The use of any legally obtained drug to the point where such use adversely effects the employee's job performance, is prohibited. This prohibition covers arriving on the work premises with detectable levels of any drug which adversely affects the employee's job performance, including the use of prescribed drugs under medical direction. Where the physician-directed use of drugs adversely affects job performance, it is the best general interest of the employee, co-workers, and the industry that employees stay home.

It is hereby specifically understood that violations involving alcohol shall continue to be handled in accordance with Paragraph 13(E)(3) of the Collective Bargaining Agreement.

It is also agreed that under clause 13(E)(3) of the present Collective Bargaining Agreement the blood alcohol level to be used in determining if an employee is intoxicated shall be that level established by law in the state involved.

When an individual is tested for alcohol and their alcohol level is .04 or above, up to the state limit, that person will be knocked off for the remainder of the day. No charges will be filed for intoxication.

ILLEGAL DRUGS:

Illegal drugs, for the purpose of this policy, include (a) drugs which are not legally obtainable and (b) drugs which are legally obtainable but have been obtained illegally.

The sale, purchase, transfer, use or possession of illegal drugs, as defined above, by

employees on the work premises or while on employer business is prohibited. Arriving on the work premises with detectable levels of any illegal or illegally obtained drugs is prohibited. This prohibition applies to any and all forms of narcotics, depressants, stimulants, or hallucinogens whose sale, purchase, transfer, use, or possession is prohibited or restricted by law.

POLICY ENFORCEMENT:

A drug test may be required upon reasonable notice made through the Maritime Association whenever work place factors give good faith reason to question the ability of an employee to properly and safely perform his/her job and whether drugs may be a factor. These factors may include physical appearance, behavior, or other job-related circumstances. Tests shall also be required for new employees (e.g., Stabilization and Decasualization Criteria), employees with safety sensitive jobs (e.g., Manpower Development), after on the job accidents and after evaluation or treatment for substance abuse.

PENALTIES FOR VIOLATING POLICY:

Any person found in violation of this policy regarding illegal drugs or who refuses to submit to a drug test, refuses to sign the required consent form or post treatment agreement shall be removed from the job and be suspended from employment through any and all Hiring Halls for a period of ninety (90) days. A second offense shall result in permanent suspension from employment.

When it is determined that an employee is suffering from a drug abuse problem, efforts will be made to assist the employee in seeking proper treatment and rehabilitation using available resources.

Anyone found guilty of possession, use of, or other dealings in narcotics or other illegal substances (other than drugs which have been prescribed by a licensed physician) while employed under the terms of any Collective Bargaining Agreement between the Parties or any Memorandum of Understanding, or any other Agreement between the Parties shall be immediately suspended from employment for a period of ninety (90) days.

Anyone found guilty of providing a urine specimen to another person who is being drug tested or interfering in the testing process will be penalized as follows:

- First Offense.....7 days suspension from work
- Second Offense.....14 days suspension from work
- Third Offense.....30 days suspension from work

Under the provisions of the "Policy On Drugs" any person found in violation for the first time of the "Policy" who seeks and receives treatment through a recognized and accredited

rehabilitation center will be allowed to return to work when in the opinion of the personnel at the treatment center involved that individual is ready to return to work. But under no circumstances will the individual be allowed to return before thirty (30) days.

A written statement from the treatment center involved stating that the individual has satisfactorily completed treatment will be required before returning to work.

Any individual who does not complete the required treatment program will not be allowed to return to work until the required ninety (90) day suspension has been completed.

Individuals who do not obtain treatment as described above will be suspended for ninety (90) days. A second offense shall result in permanent suspension from employment.

A refusal to be tested shall be grounds for immediate discharge and immediate suspension from employment through any and all Hiring Halls for period of ninety (90) days. A second violation or offense shall result in permanent suspension from employment.

It is understood and agreed that all of those actively working under the terms of any Collective Bargaining Agreement between the Parties or any Memorandum of Understanding or any other Agreement between the Parties shall have the right to request referral to an approved program for treatment or to be tested and any employee whose test results thereof are positive shall be required to immediately report to an approved program for treatment. If such employee participates in and successfully completes the required approved rehabilitation program, that employee may be reinstated. Any additional positive test shall be grounds for immediate and permanent discharge and permanent suspension from employment.

Any individuals who seek reinstatement shall be required to sign a written agreement that for a period of three (3) years from the date of reinstatement that they will agree to take random drug screen tests.

Third Chance:

In those circumstances where an employee has been terminated from the industry in accordance with any such plan during the life of the current contract and has remained drug-free for one (1) year, such individual will be eligible for a third and final chance for reinstatement in the industry subject to the following terms and conditions which must be determined locally.

1. The former employee must provide proof of successful completion of a rehabilitation program resulting in the individual being drug-free for the last twelve (12) months prior to application for reinstatement.
2. Reasonable criteria in each port or district shall be established under which the individual shall prove their drug-free status, including periodic testing.

3. Application for reinstatement after the second offense must be made within sixty (60) days from the date of termination.

4. Once reinstated, the individual will be subject to random testing, and any further violation shall ban the employee for life.

The programs now in effect should include the following provisions:

1. Any test shall allow for the splitting of the sample. In a positive test the employee would have the right to request a retest done at another approved laboratory.

2. The costs of performing drug and alcohol tests will be paid by the employer or the employer association.

3. It is further agreed that each plan may have mandatory random testing for all crafts. The terms and conditions of such random testing will be determined by the local parties.

DRUG POLICY CRITERIA FOR REINSTATEMENT (Amended March 12, 2002)

1. When an employee has been terminated from the industry in accordance with the Drug Policy and remains drug-free for one (1) year, such individual will be eligible for a third and final chance for reinstatement in the industry subject to the following terms and conditions.

2. Application for reinstatement after the second offense must be made within sixty (60) days from the date of termination. The one year monitoring period will begin on the date application is made for reinstatement. The testing and grievance procedure governing the drug policy will be in effect during this one-year period.

3. The following will be required for a former employee to prove they have remained drug free for the last twelve (12) months prior to reinstatement in the industry.

a. The employers will have the right to have up to 24 Random tests during the twelve month period.

b. Successful completion of a rehabilitation program and at least weekly attendance.

A Random Drug Testing Program will be administered as per the **Random Drug and Alcohol Testing Policy dated August 23, 2004** below:

1. This policy shall apply to all ILA crafts covered by the deep-sea South Atlantic contract as well as related supervisory and management personnel. All such personnel shall be subject to random testing pursuant to this policy.
2. The term "random test" shall mean drug and alcohol tests administered to personnel who are selected by a random process where by each of the employees subject to such testing has an equal chance of being selected each time selections are made.
3. The selection of employees for random testing shall be made by a computer based random number generator that is matched with the individual's social security number, payroll identification number or other comparable identifying number (a port security number) or the last six digits of the employee's social security number will be used to determine who will be tested. The testers will roll a six-sided die to identify the position within the social security number. A ten-sided die will be rolled to identify the designated number that will be matched to each person's social security number. All personnel with social security numbers containing the selected number in the position will be tested. There will be only one designated number chosen at each operation. However, there shall be no set number of employees to be tested. The system selected must be completely random. The bargaining parties will ensure absolute objectivity by generating statistically valid, randomly selected lists of employees.
4. The employers will be responsible for notifying the drug testing facility when and where operations are working. The drug-testing provider will determine the date, operation and shift for personnel to be random tested.
5. A full list (timesheets) of personnel who are working, including their social security numbers, will be obtained from the stevedore/header/timekeeper. Social security numbers of company personnel assigned to the operation will be provided to the testers by the employer.
6. The testing will consist of an instant test administered on-site. Positive on-site tests will be sent to a laboratory for confirmation. A Breathalyzer test for alcohol will be administered also.
7. The cost of the selection system and resulting tests shall be borne exclusively by the employer.
8. There will not be less than four (4), nor more than twenty-four (24), dates each contract year per port on which random testing may be conducted.
9. On a date on which random testing is to be conducted, a group of employees shall be randomly

selected for testing from the entire pool of employees working on that day by the independent testing agency selected, and in accordance with the procedures mutually agreed upon, by the local bargaining parties. (See #1, #3 and #5)

10. Testing shall be conducted consistent with the procedures of such examinations set forth on "Policy on Drugs" in the collective bargaining agreement between the South Atlantic Employer's Negotiating Committee and the South Atlantic & Gulf Coast District of the International Longshoremen's Association. (South Atlantic Agreement).

11. All rules, enforcement provisions and penalties governing the "Policy on Drugs" set forth in the South Atlantic Agreement. [Paragraph 13(E)(4)] shall apply to all personnel covered by the South Atlantic Agreement. Company personnel tested pursuant to this agreement shall be subject to the employer's policies.

12. Once the drug-testing provider arrives at the job site, personnel shown on the time sheets who leave without proper permission or personnel selected for testing who are notified of such selection and then subsequently leave the job site without submitting to the test shall be deemed a positive test in accordance with the existing Drug Policy. Anyone who leaves with proper permission must be tested within twenty-four (24) hours. Testing will be in accordance with the procedures mutually agreed upon by the local bargaining parties.

13. Upon notification of selection, a person shall be allowed one hour to provide a urine sample. Only if a urine sample cannot be provided, an alternative method agreed to by the local parties will be taken. Refusal to submit shall be deemed a positive test in accordance with the existing Drug Policy.

The alternative method will be hair or saliva.

14. Disputes arising from the administration of this program shall be subject to the grievance procedure.

15. The District bargaining parties shall review the implementation of this agreement on a quarterly basis and make adjustments as necessary.

16. Should the local bargaining parties of any port be unable to reach agreement on the selection of an independent testing company and /or the terms of implementation, the unresolved issues shall be referred to the District negotiators at the August 2004 District meeting.

17. Nothing in this agreement shall diminish the rights and responsibilities of the parties as set forth in the South Atlantic Agreement.

18. A representative from the union or their designee shall be present for the testing process.

GRIEVANCE PROCEDURE:

It is understood and agreed that any and all disputes involving this Policy and/or Program, including interpretation or application, shall be resolved solely under the Grievance Procedure and Arbitration clauses in the various Collective Bargaining Agreements. Resolutions reached on any and all disputes under the Grievance Procedure and Arbitration clauses in the various Collective Bargaining Agreements shall be binding on all parties.

Personnel suspended as a result of misconduct shall lose seniority for the period of the suspension. Should any of the misconduct offenses occur in the Hiring Hall areas, it shall carry the same penalty as occurring at the work sites, and a committee of duly appointed or elected persons who work under the terms and conditions of this Collective Bargaining Agreement shall

judge the guilt or innocence of persons charged with misconduct in the Hiring Hall area.

13.(F) The Management of the Employer's business and the direction of the work force in the operation of the business are exclusively vested in the Employer as functions of Management.

Except as specifically provided in this Agreement, all of the rights, powers and authority Employer had prior to signing of this Agreement are retained by Employer.

14. Seniority rules shall be decided and enforced on a local level.

15.(A)(1) During the term of this Agreement, the Employer agrees that there shall be no lockouts of the members of the Union and the Union agrees there shall not be any strike of any kind or degree whatsoever, walkout, suspension of work, curtailment or limitation of production, slowdown, or any other interference or stoppage, total or partial, of the Employer's operation for any causes whatsoever; such causes including but not limited to unfair labor practices by the Employer or violation of this Agreement. The right of employees not to cross a bona fide picket line is recognized by the Employer. The Union shall not be financially responsible for strikes or walkouts not authorized or assented to by the Union.

15.(A)(2) If the Administrator of any fund established under the terms of this Agreement determines that an Employer is delinquent in paying the requisite assessments, contributions, royalties or other required payments to the fund when due, he shall immediately notify the Union party hereto with copy to the delinquent Employer. If within 7 days the Employer does not either convince the Administrator he is in fact not delinquent or pay the delinquent account, the Union will be released from its obligations under Clause 15(A)(1) to continue to work for that Employer and shall not dispatch personnel to that Employer until the delinquency is ended. The Employer shall be liable not only for the amount of the delinquency, but for attorney fees, auditing fees, court costs and all other related collection expenses. In the event of disagreement as to the applications of the above, the dispute shall be settled as a grievance under the procedure of Clause 15(B), but omitting the Port Grievance Committee and being referred directly to the District Grievance Committee.

15.(B) Matters under dispute which cannot be promptly settled between the Local and an individual Employer shall, no later than 48 hours after such discussion, be referred in writing covering the entire grievance to a Port Grievance Committee composed of one member from a company not involved in the dispute, the Port Employer member of the Joint Negotiating Committee, the Port Union member of the Joint Negotiating Committee, and a Union member not involved in the previous attempts to settle the dispute. In the event this Port Grievance Committee cannot reach an agreement within five days after receipt of the complaint, the written record of the dispute shall be referred to the Joint Negotiating Committee, which will function as a District Grievance Committee on the following basis:

There must be present at the Grievance Committee meeting at least three (3) regular

Employer members and three (3) regular Union members, in addition to the members from the port originating the dispute, as these latter members may participate in the discussions but may not vote. Each side shall have four votes, and if the fifth member of either side is absent he shall authorize his vote to be cast by one of the voting members in attendance. This Grievance Committee shall meet at least quarterly, and in the case of urgent matters it shall make every effort to meet as soon as possible.

A majority decision of this Committee shall be final and binding on both parties and on all Employers signing this Agreement. In the event the Committee is unable to reach a majority decision within 72 hours after meeting to discuss the case, it shall employ a professional arbitrator whose expense and fees, as well as those of any expert witnesses required by the arbitrator are to be borne jointly by the Management and the Union of the port concerned. Should the Committee be unable to agree on the selection of an arbitrator, they shall request the assistance of the Federal Mediation and Conciliation Service in designating a suitable arbitrator. Expenses of the Employer members of the District Grievance Committee are to be borne by the Port Employers, and of the Union Members of the District Grievance Committee by the I.L.A.

In the selection of an arbitrator, thought will be given to a person who is knowledgeable and familiar with the problems of the Longshore industry.

Any decision in favor of the Employee involving monetary aspects or discharge shall require the Employer involved to make financial restitution from the time of the complaint concerned, whereas decisions involving working methods or interpretations shall take effect seventy-two hours after being rendered.

15.(D) The Joint Negotiating Committee upon written request of any Employer signatory to this Agreement or any Local covered by this Agreement shall determine whether new commodities or new types of packing present hazards or discomfort in handling which make it necessary to add such items to now-existing penalty classifications. Such decisions shall be final and binding on all signatories to this Agreement, but where no majority decision is reached by the Committee, this shall constitute a denial of such addition.

15.(E) It is understood and agreed that there will be no changes made in this Agreement except by mutual consent in writing and with the full knowledge of all members of the Joint Negotiating Committee. All interpretations of this Agreement will be made in accordance with the provisions

of Clause 15.

15.(F) The Union agrees that this Agreement is intended to cover all matters affecting wages, hours, and other terms and conditions of employment and that during the term of this Agreement the Employers will not be required to negotiate on any further matters affecting these or other subjects not specifically set forth in this Agreement. Anything not contained in this Agreement shall not be construed as being part of this Agreement. All past port practices being observed may be reduced to writing in each port.

16. Both parties agree to cooperate with all efforts to provide safe working conditions including such efforts of the United States Department of Labor and of all Portwide Longshore Safety Councils and company safety programs. Where neither such Councils nor such company programs now exist, the parties shall cooperate in establishing one or the other, with meetings to take place at least quarterly.

The requirements of the Occupations Safety and Health Administration shall be binding on both Parties. All personnel reporting for work must be dressed so that no additional hazard is created and must wear safety shoes and hard hats.

It shall be mandatory that each port have a viable, actively working safety program. These programs will be administered by a Joint Committee of Management and Labor in each port and shall utilize the general work rules; and also encompass safety and health matters arising under various statutes, including the Occupational Safety and Health Act.

A-5.(A) On container and Ro-Ro vessels all meal hours when worked shall be paid for at double the overtime rates specified in Clause A-1 except for the Mid-Day Dinner hours on Monday

If this requirement is met then he will be given back his original seniority after his probationary period by the Seniority Board. Should he fail to make 700 hours in any given year during probation, he will lose all seniority.

When a classified seniority card holder in the last seniority classification loses his classified seniority card due to working less than 700 hours during any given contract year beginning on or after October 1, 2008, he will be dropped down to the Probation Section, instead of being issued a work permit card. Employment will continue to be offered through successive groups until all available personnel have been offered employment before personnel without seniority status are employed.

B. Gang foremen who are responsible for hiring correctly under the rules under this Seniority Plan must cooperate with Local 1423. Starting time shall be promptly at 6:00 a.m., 7:00 a.m., 12:00 noon, and 6:00 p.m. Gang foremen shall hire available personnel according to seniority and shall not wait for any group or special personnel. The hiring of emergency gangs at times other than the normal hiring periods will be allowed as long as the emergency gang is paid from the last starting time prior to their hiring.

C. All personnel will normally be employed only at the hiring area which is agreed upon for the port, and when additional personnel or replacements are ordered, work at the job site will proceed as scheduled even though a gang may work short while waiting on the additional personnel. When the Local is closed and personnel are hired at the job site, the Header shall order men from the list furnished by the Hall. Gangs shall be hired in accordance with the Collective Bargaining Agreement and no gang which is short shall leave the hiring area.

D. Personnel starting work are entitled to remain as long as they are continuously employed. It is not a break in continuity when employment is interrupted by meal periods, payroll or voting periods, or when shifted between job classifications or locations. In the event men are released for other than the above breaks and are ordered back for a subsequent starting time, their re-employment will follow procedures for new employment.

E. Positions such as Gang Foreman, Walking Bosses, Lift Bosses, Carpenter, Lashing Foreman and Boatswain and similar assignments receiving Gang Foreman pay are not subject to seniority procedures.

a. When it becomes necessary for the employer to make a change in Gang Foreman, he must consult with the Union at least a week prior to his selection. It is incumbent on the employer to consider the Union's suggestions and to make every effort to designate a man who is agreeable to both parties.

F. Men working during the day and having completed 8 hours shall have no seniority status at 7:00 p.m. Men working during the night and having completed 8 hours shall have no seniority status at 8:00 a.m. and 7:00 a.m. starts. When men with seniority

status are working in gangs on the day before a time and one-half day, they shall be entitled to work in the same gang for the purpose of completing the loading or unloading of a ship that they have worked on.

Notwithstanding the above paragraph, men working during the day and having completed 4 hours by 12:00 noon shall have no seniority or new status at 1:00 p.m. However, these men will have seniority at 7:00 p.m. the same day.

Any individual accepting work for a 7:00 a.m. or 8:00 a.m. start electing to knock off before the job and /or shift is completed or elects to being released before completion of the guaranteed time for that day shall not be assigned to any gang starting at 1:00 p.m. or 7:00 p.m. He shall not be available for hire until the first hiring the following morning unless the union elects to send him out due to lack of experienced labor.

Individuals starting work at 7:00 A.M., 8:00 A.M., 10:00 A.M. or 1:00 P.M. and continues working past midnight will have no seniority status at 7:00 A.M., 8:00 A.M. or 10:00 A.M. the following day. Men starting work at 7:00 P.M. who work past 8:00 A.M. will have no seniority status at 1:00 P.M. that day.

If a man knocks off and the gang continues to work past midnight, they shall not have seniority until 1:00 P.M. the following day.

Within seniority groups, men who have been referred for jobs lasting at least six (6) hours shall not have seniority until all other men within that group who are available for referral on the successive shift have been referred.

Notwithstanding, men referred to in the above provisions may be hired after all employees with seniority status who are present have been offered employment.

Once an individual has been offered employment by an employer for work at any starting time, and he refuses employment at that time, he therefore waives his seniority status for that particular hiring period, but may be offered employment at the next hiring period.

G. Employers must make every effort to train personnel now in the industry for specialized jobs as equipment operators, etc.

H. Selection of individuals for referral to jobs shall be without discrimination against any applicant by reason of membership or non-membership in I.L.A. Local 1423. Such selection shall be strictly in accord with above rules and procedures as set forth in this Agreement.

I. Senior men who turn down regular jobs will not be allowed to claim that job from

a lower seniority man who accepted same. However, when a regular job is open, senior men will have first preference to the job.

7.A. The Seniority Board, on written and signed complaint, shall hear and determine whether or not an employee or a header has violated the following rules and regulations:

- a. A deliberate violation of the hiring rules by a Gang Foreman.
- b. Collusion by an individual with a Gang Foreman to violate hiring rules.
- c. Leaving a job (unless injured) without securing replacement or failure to arrive at a job.
- d. Persistently failing to accept employment which he is capable of performing.
- e. Any other violation of the Seniority Agreement.

B. Before taking disciplinary action for violation of rules herein specified, the employee or header as the case may be, will be given written notice of the conduct claimed to be in violation of the rules and warranting disciplinary action, which notice shall fix a time and place at which the employee and/or header appears and presents his defenses.

C. The Seniority Board must assess the following penalties against an employee or header who is found to violate the above rules and regulation:

FIRST OFFENSE: Fourteen (14) days Suspension from working in the industry.

SECOND OFFENSE: Thirty (30) days Suspension from working in the industry.

THIRD OFFENSE: Sixty (60) days Suspension from working in the industry plus such additional suspension as the Seniority Board deems necessary.

D. The Seniority Board, on written and signed complaint, shall hear and determine whether or not an employee or a header has violated the following rules and regulations:

- a. Use of false seniority card or use of a card belonging to another individual.
- b. Allowing another to use the seniority card entrusted to the owner.
- c. Being on more than one company payroll during the same period of time and being reimbursed as actually working for each company.

FIRST OFFENSE: Permanent dismissal from the industry.

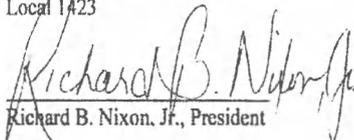

8. On October 1, 1992, or thereafter, the Seniority Board will meet to determine whether the penalties listed in Paragraph 7 are adequate, and if they find an undue number of violations, the Seniority Board shall recommend to the parties that the penalties be substantially increased.

9. This Seniority Plan will remain effective until the expiration of the present Collective Bargaining Agreement but may be amended by mutual agreement between the parties thereto providing such amendment is approved by the District Negotiating Committee. All provisions of the Plan including criteria for grouping employees are subject to change upon agreement by both parties.

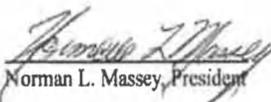

10. The words "men", "man", "he", and "his", as used in this agreement also mean "woman", "women", "she", and "hers". All referrals under this agreement will comply with Title VII of the Civil Rights Act of 1964.

Further, that such conditions for the particular work to be performed for an Employer not bound by the provisions of this Agreement shall also be made applicable to the employers parties to this Agreement for the same type of work. The employer likewise agrees to give the I.L.A. advance notice of any potential new business proposed to them which would or could result in a departure from this Agreement. In the event the employers should enter into an agreement with any other local of the I.L.A. containing terms more favorable than those set forth herein for the performance of work covered by this contract, such terms shall automatically apply to employees covered under this Agreement.

No employer shall engage in a double breasted operation.

Management personnel, or other non-bargaining unit personnel of an employer shall not be permitted to perform any of the work traditionally performed by employees covered by this agreement.

All Port Associations and the local unions of the ILA operating in the South Atlantic District may negotiate among themselves for an agreement, on a case by case basis, to compete with non-union companies on cargoes and for any new cargoes or service which is not in competition with any other South Atlantic port. (This paragraph to be re-written as agreed to by ILA and Management.) Each port in the South Atlantic District will be notified.

3.(B)(4) Personnel working under I.L.A. Contracts other than the I.L.A./SAENC Deep-Sea Longshore and the Deep-Sea Clerks and Checkers Agreements and who are presently participating in the Pension and Welfare Funds, the Container Royalty Funds and Vacation and Holiday Funds of the District Escrow Fund, as well as new personnel in the same job classifications as those presently participating who may subsequently be working under an I.L.A. Contract may participate in such funds, provided the Employers of such personnel have signed Agreements with the Trustees of such funds agreeing to make the contributions specified in the I.L.A./SAENC Agreements and abide by the terms and conditions of the Trust Agreements covering such Funds. No Employees shall receive benefits from the Funds that exceed the benefits set forth in the I.L.A./SAENC Deep-Sea Longshore and Deep-Sea Clerks and Checkers Agreements.

4.(A) The work week will begin at 7:00 A.M. on Monday and will end at 7:00 A.M. on the following Monday. A day is defined as the 24-hour period commencing at 12:01 A.M. and ending at 12:00 midnight.

5.(A) Differentials in accordance with Clauses 5(A)(1)(2)(3) of Longshore Agreement and the same rates shall be paid weighers, samplers, tallymen and checkers covered by this Agreement.

5.(B)(1) A differential of 25 cents per hour in straight time and 37½ cents per hour in overtime will be added to the rates specified in Clauses A-1, B-1 or C-1 (whichever is applicable) for work performed in refrigerator compartments, refrigerator holds, refrigerator containers, refrigerator trucks or refrigerator cars whenever cargo is being handled that has been or will be carried at temperatures below 32 degrees Fahrenheit. When handling refrigerated cargo in conjunction with ice, the same differential will apply while handling such cargo and while handling the ice. These differentials will be paid to employees assigned to checking the hatch involved.

5.(B)(2) Personnel ordered for work on refrigerated cargo will be notified in advance in order that they may secure sufficient clothing. In the event employees are not so notified prior to reporting for work that they will be handling cargo that has been or will be carried below 32 degrees Fahrenheit, they shall not be required to handle such cargo.

5.(C)(1) All personnel assigned to ships loading or discharging explosives or radioactive material of a type requiring a U.S. Coast Guard Permit handled over or at explosive facilities, including linehandlers when they are required to stand by, will be paid double the straight time or overtime rate (whichever is applicable) as specified in Clauses A-1, B-1 or C-1 (whichever is applicable). Small arms ammunition and firecrackers shall not be construed as explosives.

5.(C)(2) When personnel at other than explosive facilities such as Sunny Point or St. Mary's are working a vessel which contains explosives, other than commodities such as small arms ammunition or firecrackers, all employees, including dockmen, and linehandlers working the vessel will be paid at double the straight time or overtime rate (whichever is applicable) as specified in Clauses A-1, B-1 or C-1 (whichever is applicable).

Explosive pay only applies to personnel working the vessel which contains explosives in all ports other than Sunny Point and St. Marys. All other port practices remain the same.

5.(D) A differential of 50 cents per hour in straight time and 75 cents per hour in overtime will be added to the rates specified in Clauses A-1, B-1 or C-1 (whichever is applicable) for personnel actually working in the holds where equipment powered with internal combustion engines is in use. The provisions of this clause are waived when adequate blowers are in use. Adequate blowers shall meet the requirements of Paragraph 1504.93 of the Federal Safety and Health

Regulations for Longshoring.

5.(E) None of the differentials provided above shall be paid unless the personnel are so employed for fifteen minutes or more of continuous work.

6. Personnel assigned to hatches handling cargo damaged by fire, water or oil, where such damage causes unusual distress or obnoxious conditions, or where such damage results in cargo being in unnatural form to the extent of causing unusual distress or obnoxious conditions, shall be paid double the straight time or overtime rate specified in Clauses A-1, B-1 or C-1 (whichever is applicable).

Personnel assigned to hatches handling cargo where obnoxious odors are present and these obnoxious odors are not inherent in the type of cargo shall be paid double the straight time or overtime rates specified in Clauses A-1, B-1 or C-1 (whichever is applicable). Damaged cargo rates shall not be paid when sound cargo is handled from such compartments where the obnoxious conditions no longer prevail. Damaged cargo rates shall not be paid for wet cargo if the cargo has dried out sufficiently so that no unusual distress is caused and no obnoxious conditions prevail.

7.(A) When vessels are worked because of fire or where property is in danger on any of the four "no work" holidays, double the straight time rates as specified in Clauses A-1, B-1 or C-1 (whichever is applicable) will be paid. Where such work is under the conditions specified in Clause 6, double the overtime rates as specified in Clauses A-1, B-1 or C-1 (whichever is applicable) will be paid.

7.(B) On Election Day when employees go to work at 7:00 A.M. or 8:00 A.M. starts, they must be relieved by 5:00 P.M. to have time to vote. Employees reporting for work on 1:00 P.M. starts will vote prior to reporting for work. Employees may be let off or staggered to accommodate the ability for all personnel to have time to vote. Employees will return to work at 7:00 P.M. with the continuation of the original order if so required.

8.(A) The phrase "personnel ordered" as used herein is understood to apply only to new orders. It is not considered a new order when employment is interrupted solely due to meal period or when employees are shifted between job classification or job locations by an Employer. In the event employees are not kept on the payroll but are released by an Employer and ordered back for a subsequent starting time, it is considered a new order. For starts at 7:00 P.M. for which employers order new gangs of longshoremen, or for which replacement gangs are ordered, they shall also order the required clerks and checkers as a new order and guarantee.

8.(B) Any work remaining to be done at 7:00 A.M. after men have worked through the night from 7:00 P.M. the previous evening shall normally be done by fresh employees called out to start work at 7:00 A.M. as replacements for the night personnel. However, the night personnel shall continue to work beyond 7:00 A.M. whenever:

(a) Qualified fresh personnel are not available, or

4. POLICY ON DRUGS

PURPOSE:

The South Atlantic Employer's Negotiating Committee and the South Atlantic and Gulf Coast District, International Longshoremen's Association, and its affiliated locals from Wilmington, Sunny Point, Morehead City, Charleston, Georgetown, Savannah, Brunswick, Jacksonville, Tampa and Port Manatee recognize that the state of an employee's health affects his/her job performance, the kind of work he/she can perform, as well as an individual's opportunity for continued employment. The Parties also recognize that drug abuse ranks as one of the major health problems in the world. It is the intent of this policy to provide guidelines for consistent handling of drug situations throughout the South Atlantic.

POLICY:

The Parties are concerned with those situations where use of drugs interferes with an employee's health and job performance, adversely affects the job performance of others, or is considered to be detrimental to the marine cargo handling business. There is no intent to intrude upon the private lives of employees.

Early recognition and treatment of chemical dependency problems is important for successful rehabilitation; economic return to the industry, and reduced job disruption. The Parties support sound drug abuse treatment and rehabilitation efforts, and it is agreed that constructive disciplinary measures may be utilized to provide motivation to seek assistance. Normal industry benefits, such as the group medical plan, in many cases are available to give help in the rehabilitation process.

EARLY RECOGNITION:

For the purpose of interpretation it is agreed by all parties that for any employee to be eligible for treatment and rehabilitation under the "Policy on Drugs" he must first be eligible for the benefits. Employees not covered for benefits must pay all expenses for rehabilitation.

LEGAL DRUGS:

The use of any legally obtained drug to the point where such use adversely affects the employee's job performance, is prohibited. This prohibition covers arriving on the work premises with detectable levels of any drug which adversely affects the employee's job performance, including the use of prescribed drugs under medical direction. Where the physician-directed use of drugs adversely affects job performance, it is the best general interest of the employee, co-workers, and the industry that employees stay home.

It is hereby specifically understood that violations involving alcohol shall continue to be handled in accordance with Paragraph 13(B) of the Collective Bargaining Agreement.

It is also agreed that under clause 13(B) of the present Collective Bargaining Agreement the blood alcohol level to be used in determining if an employee is intoxicated shall be that level established by law in the state involved.

When an individual is tested for alcohol and their alcohol level is .04 or above, up to the state limit, that person will be knocked off for the remainder of the day. No charges will be filed for intoxication.

ILLEGAL DRUGS:

Illegal drugs, for the purpose of this policy, include (a) drugs which are not legally obtainable and (b) drugs which are legally obtainable but have been obtained illegally.

The sale, purchase, transfer, use or possession of illegal drugs, as defined above, by employees on the work premises or while on employer business is prohibited. Arriving on the work premises with detectable levels of any illegal or illegally obtained drugs is prohibited. This prohibition applies to any and all forms of narcotics, depressants, stimulants, or hallucinogens whose sale, purchase, transfer, use, or possession is prohibited or restricted by law.

POLICY ENFORCEMENT:

A drug test may be required upon reasonable notice made through the Maritime Association whenever work place factors give good faith reason to question the ability of an employee to properly and safely perform his job and whether drugs may be a factor. These factors may include physical appearance, behavior, or other job-related circumstances. Tests shall also be required for new employees (e.g., Stabilization and Decasualization Criteria), employees with safety sensitive jobs (e.g., Manpower Development), after on the job accidents and after evaluation or treatment for substance abuse.

PENALTIES FOR VIOLATING POLICY:

Any person found in violation of this policy regarding illegal drugs or who refuses to submit to a drug test, refuses to sign the required consent form or post treatment agreement shall be removed from the job and be suspended from employment for a period of ninety (90) days. A second offense shall result in permanent suspension from employment.

When it is determined that an employee is suffering from a drug abuse problem, efforts will be made to assist the employee in seeking proper treatment and rehabilitation using available resources.

Anyone found guilty of possession, use of, or other dealings in narcotics or other illegal substances (other than drugs which have been prescribed by a licensed physician) while employed under the terms of any Collective Bargaining Agreement between the Parties or any

Memorandum of Understanding, or any other Agreement between the Parties shall be immediately suspended from employment for a period of ninety(90) days. A second offense shall result in permanent suspension from employment.

Anyone found guilty of providing a urine specimen to another person who is being drug tested or interfering in the testing process will be penalized as follows:

- First Offense.....7 days suspension from work
- Second Offense.....14 days suspension from work
- Third Offense.....30 days suspension from work

Under the provisions of the "Policy On Drugs" any person found in violation for the first time of the "Policy" who seeks and receives treatment through a recognized and accredited rehabilitation center will be allowed to return to work when in the opinion of the personnel at the treatment center involved that individual is ready to return to work. But under no circumstances will the individual be allowed to return before thirty (30) days.

A written statement from the treatment center involved stating that the individual has satisfactorily completed treatment will be required before returning to work.

Any individual who does not complete the required treatment program will not be allowed to return to work until the required ninety (90) day suspension has been completed.

Individuals who do not obtain treatment as described above will be suspended for ninety (90) days. A second offense shall result in permanent suspension from employment.

A refusal to be tested shall be grounds for immediate discharge and immediate suspension from employment for a period of ninety (90) days. A second violation or offense shall result in permanent suspension from employment.

It is understood and agreed that all of those actively working under the terms of any Collective Bargaining Agreement between the Parties or any Memorandum of Understanding or any other Agreement between the Parties shall have the right to request referral to an approved program for treatment or to be tested and any employee whose test results thereof are positive shall be required to immediately report to an approved program for treatment. If such employee participates in and successfully completes the required approved rehabilitation program, that employee may be reinstated. Any additional positive test shall be grounds for immediate and permanent discharge and permanent suspension from employment.

Any individuals who seek reinstatement shall be required to sign a written agreement that for a period of three (3) years from the date of reinstatement that they will agree to take random drug screen tests.

Anyone who leaves with proper permission must be tested within twenty-four (24) hours. Testing will be in accordance with the procedures mutually agreed upon by the local bargaining parties.
13. Upon notification of selection, a person shall be allowed one hour to provide a urine sample. All personnel for 7:00 P.M. and 12:00 Midnight starts must be ordered by 1:00 P.M. the same day. In the event weather or mechanical failure after 7:00 P.M. makes it impossible for night personnel to finish a ship scheduled to complete before 8:00 A.M., the night personnel may be released and ordered back from shipside for a subsequent daytime start for work on that ship only. Personnel ordered for 7:00 A.M. through 8:00 A.M. starts may be cancelled or modified by 5:00 P.M. the previous day.

If the employees do not wish to remain after 7:00 P.M. the Union must provide new personnel for a 7:00 P.M. start if notified prior to 6:00 P.M. to fulfill the guarantee of the original employees. Personnel ordered for 1:00 P.M. starts need not be so notified.

When two or more gangs are working a vessel the manning will be one Chief Clerk, one timekeeper and one clerk per gang. It is understood and agreed that the timekeeper may assist other clerical personnel working the same vessel as long as he/she (the timekeeper) does not displace any clerical personnel.

On vessels other than "fully automated vessels" when loading and/or unloading containers, using ships gear or shore-side cranes, floating derricks, with sixty (60) containers or less per day, the four (4) hour guarantee will apply. A two (2) hour guarantee with running time when working containers after a meal hour for the duration of the vessel will apply. When over sixty (60) containers are worked in any one day period the eight (8) hour guarantee at the automated manning and wages will apply.

1-1 Letter of Understanding

This will confirm our discussions in Tampa regarding the subject of automobile carriers and the wages and benefits applicable to such operations, the objective of which was to establish uniform conditions for such work in each of the South Atlantic ports.

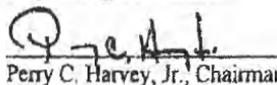

As is reflected in paragraph seven (7) of the Letter of Interpretation, dated October 29, 1986, and paragraph 4(A) of the Addendum to Memorandum of Agreement, dated October 1, 1986, the parties are agreed that the wage rate on such vessels shall be \$14.00 per hour with a minimum gang size of sixteen (16) plus a minimum of four (4) clerks. The guarantee is to be four (4) hours. It was agreed that tractors, and other heavy equipment or trucks having more than one axle will be worked at the \$17.00 per hour wage rate, with the understanding that one or more such vehicles will require the payment of a minimum of one hour at the \$17.00 rate for the entire gang (including clerks). If the vessel is a ro-ro vessel, worked with the ramp down, the hourly rate will be \$17.00.

During our recent negotiations the ILA asked that Management provide the ILA with a letter defining the duties of a Superintendent. The following definition of a Superintendent is the one that was given verbally during the negotiations.

He is responsible for the safety of all personnel assigned to his control, proper stowage and handling of cargo, the coordination of the assignment of labor with the Chief Clerk and Gang Foreman."

Should there be anything further required let us know.

For purposes of this policy, harassment shall include sexual harassment, as defined below. No Personnel, or officer, manager, supervisor, member or employee of the ILA Locals or SAENC shall harass, discriminate or retaliate any other person within the **hiring hall** or work places to which personnel are referred. All Personnel, ILA Local members and Local representatives, and SAENC members and representatives must refrain from unwelcome, offensive or inappropriate behavior at work, and are responsible for assuring that the **hiring hall/workplace** is free of harassment, discrimination and retaliation at all times. Because the ILA Locals and the SAENC take all allegations of harassment, discrimination and retaliation seriously, the port Association and the ILA Local will respond promptly to all complaints. Whenever such conduct is alleged, the ILA Local and Port Association will vigorously investigate and take prompt and effective remedial action where wrongful conduct is determined to have occurred.

EQUAL EMPLOYMENT OPPORTUNITY (EEO) POLICY:

The employer members of the SAENC are equal opportunity employers. The policy of both the ILA and its respective locals and the SAENC is to provide equal opportunity to all persons without regard to any basis prohibited by law including, but not limited to, race, color, national origin, religion, creed, age, sex, marital status, pregnancy, height, weight, Vietnam era/disabled veteran status, or disability. It is the policy of the ILA and its locals and the SAENC to comply with all federal and state laws affecting employment, including laws that define and prohibit discrimination of any kind.

The ILA Locals, the Port Association and the Personnel are responsible for acting in accordance with this policy. All individuals covered by this policy are encouraged to assist the affirmative efforts in support of the EEO policy, including the recruitment and referral of qualified individuals for employment.

SEXUAL HARASSMENT:

While in some cases individuals may make sexual comments or jokes or personal advances without intending harm, such actions can be unwanted, threatening and perceived as harassment. Stopping sexual harassment in its many forms requires an increased awareness by everyone of the impact that such actions may have on others.

For purposes of this policy, prohibited sexual harassment is defined as any type of sexually-oriented conduct whether intentional or not, that is unwelcome and either (i) is implied or stated to be a condition of employment or a factor in evaluating job performance, eligibility for work or any other component of employment, or (ii) hostile, offensive or intimidating environment. The following are examples of behaviors that may be considered sexual harassment:

Sexual jokes, language, epithets, advances or propositions;

Written or oral abuse of a sexual nature, (e.g., sexually degrading or vulgar words used to describe an individual);

The display of sexually suggestive objects, pictures, magazines, posters or cartoons;

Comments about an individual's body, sexual orientation, sexual prowess or sexual deficiencies;

Asking questions about sexual conduct;

Harassment consistently targeted at only one sex, even if not "sexual" in content;

Invading personal privacy at or outside the workplace (e.g., harassing telephone calls);

Touching, leering, whistling, brushing against the body, or making suggestive, insulting, or obscene comments or gestures;

Demanding sexual favors in exchange for favorable reviews, assignments, continued employment or promises of the same; and

Assault or coerced sexual acts.

Sexual harassment takes many forms. It can be between co-workers. It can be between members of the same sex. It can include a supervisor's harassment of a subordinate, or a subordinate's harassment of a supervisor. Third parties who witness sexually harassing behavior in a workplace environment can also be the victims of the harassment. Harassers can be supervisors, co-workers, customers, vendors, suppliers, or clients. All of these forms of harassment are illegal and violate this policy.

RESPONSIBILITY:

The ILA and the SAENC require that all Personnel, and every individual connected to the ILA

and SAENC, take steps necessary to prevent harassment, discrimination or retaliation from occurring. Every individual covered by this policy is required to report to their supervisor, or to another individual in a management position, or their ILA Local office, as the case may be, any experienced or witnessed incident of harassment, discrimination or retaliation. Upon a report of harassment, discrimination, or retaliation, the ILA Local involved and/or the SAENC will conduct a prompt investigation into the allegations and will take prompt and effective remedial action which, as appropriate, may subject employees and members to discipline up to and including termination. Every individual covered by this policy is required to cooperate with any investigation of harassment, discrimination or retaliation.

COMPLAINTS:

Any person who believes he or she has been the subject of harassment, discrimination or retaliation must report the incident immediately to his or her supervisor, his or her employer's human resources department, to the ILA Local office, or to the officers of the ILA Local. Upon receiving a complaint, the ILA Local shall notify the Port Association of the complaint immediately in writing. Upon receiving a complaint, the Port Association, shall notify the ILA Local of the complaint immediately in writing. A prompt and as confidential as possible investigation of all complaints will be undertaken.

INVESTIGATORY PROCEDURE:

Any Personnel employee, supervisor or manager who receives a harassment, discrimination or retaliation complaint must refer the complaint to the ILA Local or the Port Association. The Port Association and the ILA Local will investigate every complaint of discrimination, harassment or retaliation, and will make every effort to keep the matter as confidential as possible. **The ILA Local and the Port Association will bring the matter to a resolution.**

RETALIATION PROHIBITED:

Retaliation of any kind against a person making a complaint under this policy is strictly prohibited.

DISCIPLINE:

Any employee who has been found, after appropriate investigation, to have harassed, discriminated or retaliated against another employee will be subject to appropriate sanctions including expulsion. Similarly, because of the seriousness of such complaints and the damaging consequences which unfounded charges may have, adverse action can result from groundless allegations of harassment, discrimination or retaliation which are found to have been made in bad faith.

APPEALS:

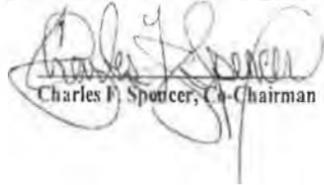

Any Personnel dissatisfied with the resolution of complaints or allegations of retaliation under this Policy or any Personnel dissatisfied with the imposition of discipline under this

Policy has the right to appeal to and a hearing of the matter by the District Appeals Committee (consisting of two representatives each from management and Union) under the procedures set by that Committee with the decision of the District Appeals Committee to be final unless the Committee refers the matter to an arbitrator for final decision. The appeals will be heard in the port from which the appeal originated.

MISCELLANEOUS:

In the event that this policy conflicts with any law, the applicable law shall supercede this policy.

The SAENC and the ILA agree to review this policy on at least an annual basis.

Appeals Procedures under the
Policy Against Harassment, Discrimination and Retaliation

November 19, 2007

In an effort to clarify the appeals procedure provided for in the Policy Against Harassment, Discrimination and Retaliation (the "Policy"), the South Atlantic Employers Negotiating Committee ("SAENC") and the South Atlantic & Gulf Coast District of the International Longshoremen's Association (the "ILA") hereby set forth jointly the following procedures (the "Appeal Procedures") relating to any appeal from a final resolution by the ILA Local and the Port Association (as those terms are defined in the Policy) (collectively, the "Investigators") relating to a complaint brought under the Policy. For purposes of this document, the term "Complainant" is defined as the individual who filed a complaint pursuant to the Policy, and the term "Accused" is defined as the individual against whom a complaint has been lodged pursuant to the Policy. As used herein, the terms "parties" shall refer collectively to the Complainant and Accused.

- 1) In the event the Investigators are unable to reach a resolution of a complaint made pursuant the Policy, then the matter shall be heard by the District Appeals Committee.
- 2) Either the Complainant or the Accused may appeal a final resolution by the Investigators.
- 3) An appeal must be submitted in writing to the ILA Local and the Port Association. It must be received by the Local and the Association within 15 (fifteen) days of the date of issuance of a final resolution by the Investigators. The grounds on which an appeal is being made must be set forth, in writing, in the appeal.
- 4) As soon as practicable after the receipt of written notice of appeal, the appeal shall be heard by the District Appeals Committee which shall consist of two management and Union representatives from ports other than the port where the complaint originated

The hearing date and time shall be fixed. Parties involved in the hearing may request to reschedule the time and date of the hearing once. Seven (7) days notice prior to the original hearing date must be given of such request and must be sent directly to the DAC. Failure to appear at a scheduled hearing may result in a dismissal of the appeal and/or discipline.

- 5) The District Appeals Committee shall hold a hearing at a time and place agreed upon by the District Appeals Committee. The issues on appeal shall be limited to the allegations presented to the Investigators relating to the initial complaint.
- 6) The parties may present evidence to the District Appeals Committee which will be qualified to make new findings of fact. However, the evidence presented to the District Appeals Committee shall be limited to: the documents or other tangible evidence presented to or gathered by the Investigators; and the witnesses presented to or interviewed by the Investigators, unless such evidence or witnesses was not known or available at the time of the original hearing. In the event that a party wishes to present such new evidence or witness, a written description and justification for such presentation must be submitted to the DAC not less than 10 days prior to the hearing.
- 7) A majority decision by the District Appeals Committee shall be final and binding on the parties.
- 8) In the event that the District Appeals Committee reaches a deadlock and is unable to reach a final decision, the District Appeals Committee shall refer the dispute to a professional arbitrator whose expenses and fees shall be borne jointly by the Management and the Union of the port concerned. Should the District Appeals Committee be unable to select an arbitrator, they shall request the assistance of the Federal Mediation and Conciliation Service in designating a suitable arbitrator.
